Mansun Co., Ltd. is trying to make quality products, not just good products, based on the management ideology of "company that makes quality(myeong, 質) product instead of famous(myeong, 名) product". In consideration of the food safety as a priority, soy sauce marinated crab has been certified as the first HACCP in Korea among the single item, and we provide safe and hygienic products to customers through thorough hygiene management after obtaining fish and rice cakes HACCP certification. We will do our best to become a healthy and reliable food company by producing safe, customer-recognized product that can always be trusted and purchased from the customer's perspective.

## Haechanmiso Raspberry Wine Pickled Shrimp

Barcode 8809395391227

The pickled food is made with patented Haechanmiso raspberry wine sauce. Haechanmiso's unique manufacturing method maintains fresh taste through ripening time and salinity control, and is convenient to store due to the small packaging method.

Shrimp(domestic)40%, sauce 59.91%, raspberry wine concentrate 0.09%
