

O.A.C
ONE ASIA COMPANY

WHO WE ARE

A 100-YEAR-OLD ENTERPRISE RESPECTED BY EVERYONE IN THE WORLD

One Asia Company Ltd develops healthy beauty products for everyone as a great first step of a project implemented by a 100-year-old enterprise respected by everyone in the world. Beauty is what everyone has wished for, which gives confidence to move on to the world allowing people to approach others with open mind.

OUR MISSION

HEALTHY PROMISE FOR SKIN

Just like the skin of a young child shines on its own, healthy skin itself is beautiful. One Asia Company Ltd has developed cosmeceutical products by combining the use of the technology of cultivating lactic acid bacteria and the medical technology that normalizes damaged cellular tissue. we will restore your bright and healthy skin without complex with 6 kinds of good lactic acid bacteria.

OUR AMBITION

BEAUTY FOR EVERYONE

As it is made with nature-friendly herbal medicines and ingredients beneficial for body, it is safe for pregnant women and children to use. Based on consistent research and various complementary brand portfolios, we realize beauty for everyone.

OUR BRANDS

THE LEADER OF BEAUTY DREAMED BY THE WORLD

One Asia Company Ltd develops a healthy functional beauty brand by reflecting the needs of customers.

PROMISE FOR HEALTHY SKIN WITHOUT ANY COMPLEX

Healthy promise to solve your skin complex! Our Zero Complex Development Team consisting of an expert holding a doctorate of pharmacology who has won the US Young Scientist Award for six consecutive years and one holding a doctorate of microbiology, researches and develops products aimed at Zero complex of customers' skin.

GOOD MOISTURIZER THAT IS GENTLE ON SKIN WITH NO IRRITATION

As it contains moisturizing ingredients obtained from nature, it is a good moisturizer that is gentle on skin with no irritation. It consists of Ato-healing cream and mist.

SKIN CARE ESSENTIALS FOR MY SENSITIVE SKIN

This product specially designed for adolescent skin and sensitive skin, and you can see your skin getting healthier every day with keratin care, sebum control and pH control.

foot pack

USER REVIEWS

I used it as soon as I received it. I felt really good and it was really effective. If you just wear the foot pack and watch one episode of drama, you will have to say goodbye to your keratin.

As I got older and older, I was worried about the heel keratin, but once I tried it, it turned out to be amazing. I'm not afraid of wearing sandals anymore.

ONE ASIA COMPANY

STYLEUP CREAM

Elastic neckline and
chest line!

STYLEUP
