

AR&G Co., Ltd.

AR&G has been a cosmetic one-stop solution provider since 2006. In other words, we handle all business related to cosmetics, from product development to design, mass production, and domestic and overseas distribution.

AR&G boasts excellent technology and safe and stable production facilities. In fact, we have many technology patents and international certifications related to cosmetic manufacturing such as ISO22716.

Company Introduction

Since the establishment on February 1, 2006, we have been doing from development to production, sales, trade, and distribution of cosmetics. We are realizing skin science with high pride based on know how of product and sales and researchers' outstanding technology. The headquarter office is located in Jeonju of Republic of Korea, and we are spreading our brand awareness globally through participation to international exhibitions and transactions with existing buyers. In addition, we are mainly focusing on overseas export, and OEM ODM production is actively done. Our company brands are ' Jusibel ', 'TO BE A LADY', and ' NESAY '.

Brand Story

Faith of AR&G

High product quality, customer satisfaction, unlimited trust

- Provide excellent effects due to combination of ingredients that are differentiated from other companies
- Realize customer satisfaction by providing skin stability and excellent effect through identified customer demands and consistent test for a long time
- Supply infinite trust with products, made by skin experts for a long time.

Brand and Product Introduction

Jusibel- This brand name comes from French word, "Je suis Belle" meaning that "I am beautiful". This word is written in English for easier reading. This brand helps to find true beauty through customer's self-suggestion of "I am beautiful".

Representative product: JUSIBEL BB CREAM

TO BE A LADY

Created with the belief that anyone can return to the skin of young girl with beautiful skin that was firstly born.

Representative Product: Modeling Pack

NESAY

Comes from the word "necessity", which is essential item, NECE means "Necessity for everyone".

Regardless of gender and age, we aim to produce cosmetics to keep healthy skin so that consumers shall carry simple and effective goods as necessity. Since then, it was reborn as a brand of NESAY via container renewal (improvement of spraying power) in 2020.

Representative products: All-in-one mist, Trouble wash
