# Nature Mucin Essence Toner (150 ml / 5.07 fl. oz.)

## Highlights

**Skin Types** : Best for dry skin and sensitive skin

**Skin Concern** : Dehydrated skin, lack of elasticity

**Texture** : Slightly viscosity, liquid gel-like form

**Key Ingredients** : Wild yam root extract, panthenol, three types of hyaluronic acid

**Tip** : Apply on your dry and itchy body area to get rid of itchiness and help to moisturize the dry skin area

## **DIOSCOREA VILOSA (WILD YAM) ROOT EXTRACT - 59%**

Wild yam is a plant-based ingredient source of phyto-mucin. Diosgenin, saponin, and allantoin in wild yam extract have anti-inflammatory, anti-bacterial, and brightening effect. The substances are also effective in promoting collagen production.

### **OTHER SKIN BENEFITS?**

Anti-aging, even skin tone caused by hyperpigmentation, hydrating, reduce skin irritability and sensitivity.

## Product Description

Formulated with 68% wild yam root extract to restore tired skin and improves skin vitality. It contains 3 types of hyaluronic substances to provide deep hydration to the skin.

## How to use

After cleansing, apply a moderate amount of Nature Mucin Essence Toner onto your skin, or onto a cotton pad to gently wipe off your face. Gently pat your skin for better absorption. Work best when use together with Nature Mucin Serum and Nature Mucin Cream.

## *Ingredients List:*

Dioscorea Villosa (Wild Yam) Root Extract(68%), Water, Butylene Glycol, Glycerin, Panthenol, 1,2-Hexanediol, Carbomer, Arginine, Pentylene Glycol, Sodium Hyaluronate, Sodium Hyaluronate Crosspolymer, Hydrolyzed Hyaluronic Acid, Hyaluronic Acid, Hydrolyzed Sodium Hyaluronate, Centella Asiatica Leaf Water, Ethylhexylglycerin

# Nature Mucin Serum (50 ml / 1.69 fl. oz.)

## Highlights

**Skin Types** : Best for dry skin and sensitive skin

**Skin Concern** : Dehydrated skin, uneven texture

**Texture** : Viscous and watery serum, quickly absorbed

**Key Ingredients** : Wild yam root extract, panthenol, niacianamide, five types of peptides

## *Product Description*

It contains 63% mucin from wild yam extract that restores tired skin and improves skin vitality. Panthenol provides deep moisturizing, and strengthening skin barrier. Ceramide helps firming and keep your skin off from stress.

## *How to use*

After using toner every morning and evening, pump 1-2 times to apply it over the face and pat lightly. Work best when use together with Nature Mucin Essence Toner and Nature Mucin Cream.

## *Ingredients List:*

Dioscorea Villosa (Wild Yam) Root Extract (63%), Water, Panthenol, Glycerin, Butylene Glycol, Niacinamide, 1,2-Hexanediol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Arginine, Xanthan Gum, Acetyl Hexapeptide-8 , Copper Tripeptide-1, Palmitoyl Pentapeptide-4, Palmitoyl Tripeptide-1, PalmitoylTetrapeptide-7, Centella Asiatica Leaf Water, Caprylic/Capric Triglyceride, Ceramide NP, Hydrogenated Lecithin, Ethylhexylglycerin

# Nature Mucin Cream (50 ml / 1.69 fl. oz.)

---

## Highlights

- Skin Types** : Best for dry skin and sensitive skin
- Skin Concern** : Dehydrated skin, uneven texture
- Texture** : Lightweight gel texture, air-whipped finish, quickly absorbed
- Key Ingredients** : Wild yam root extract, arginine

## *Product Description*

Formulated with 59% wild yam root extract to provide moisture and nutrients to skin. It is quickly absorbed into the skin, and can provide anti-inflammatory ability to the skin.

## *How to use*

After using serum in morning and evening, apply a moderate amount onto face and gently massage to absorb. Work best when use together with Nature Mucin Essence Toner and Nature Mucin Serum.

## *Ingredients List:*

Dioscorea Villosa (Wild Yam) Root Extract (59%),  
Glycerin, Dipropylene Glycol, Caprylic/Capric  
Triglyceride, Propanediol, 1,2-Hexanediol, Cetearyl  
Alcohol, Butylene Glycol Dicaprylate/Dicaprate, Cetyl  
Phosphate, Glyceryl Stearate, Arginine, Ammonium  
Acryloyldimethyltaurate/VP Copolymer,  
Ethylhexylglycerin

# 730 Daily Moisture Cream (50 ml / 1.69 fl. oz.)

## Highlights

**Skin Types** : For all skin types

**Skin Concern** : Rough texture, dehydrated skin

**Texture** : Soft creamy texture, satin finish

**Key Ingredients** : Squalane, arginine, simple formulation made from 11 ingredients

## Product Description

An intensive moisturizing daily cream for anyone, anywhere, anytime, any condition without skin irritation. Apply the cream 730 times throughout 365 days a year and twice a day.

## How to use

After serum, apply a moderate amount onto the face, gently massage the face for better absorption. Re-apply 1-2 times to areas that you feel dry.

## Ingredients List:

Water, Caprylic/Capric Triglyceride, Glycerin, Squalane, Glyceryl Stearate, Polyglyceryl-2 Stearate, 1,2-Hexanediol, Stearyl Alcohol, Carbomer, Arginine, Caprylyl Glycol

# Fragrance-Free Cica Serum (50 ml / 1.69 fl. oz.)

---

## Highlights

**Skin Types :** Best for sensitive skin

**Skin Concern :** Redness, irritated skin, dryness

**Texture :** Lightweight watery texture with slightly cooling sensation

**Key Ingredients :** Centella Asiatica leaf water, hydrolyzed hyaluronic acid, panthenol, centella asiatica extract, malachite extract

# Key Ingredients

## CENTELLA ASIATICA LEAF WATER (70.7%)

Centella leaf water helps soothes sensitive skin reactions, prevents dryness, alleviates irritation, helps to soothe skin, improves firmness, and improves pores.

### WHAT'S SPECIAL?

Contain contains madecasic acid in its leaves and stems, which is known for healing wounds, preventing fine wrinkles, and improving blood circulation.

### OTHER SKIN BENEFITS?

Promoting collagen synthesis , improving acne condition, treatment of scars and small wounds, removing toxins.

## Product Description

This serum contains Centella asiatica extract to soothe and moisturize sensitive skin. It is able to calm redness and irritations due to its antioxidant and anti-inflammatory properties.

## How to use

After using toner, pump 1-2 times and apply on the skin. Gently pat the skin for better absorption.

## *Ingredients List:*

Centella Asiatica Leaf Water(70.7%), Butylene Glycol, 1,2-Hexanediol, Pentylene glycol, Water, Dipropylene Glycol, Glycerin, Caprylyl Glycol, Carbomer, Tromethamine, Disodium EDTA, Dipotassium Glycyrrhizate, Centella Asiatica Extract, Hydrolyzed Hyaluronic Acid, Allantoin, Panthenol, Xanthan gum, Malachite extract, Sodium Hyaluronate, Madecassoside, Asiaticoside, Madecassic Acid, Asiatic Acid

# Rice Facial Wash Cleanser (150 ml / 5.09 fl. oz.)

## Highlights

<b>Skin Types</b>	All skin types
<b>Skin Concern</b>	Sensitive, uneven skin tone, dehydrated
<b>Texture</b>	Gel-type cleanser
<b>Key Ingredients</b>	Oryza sativa (Rice) extract, coco-betaine
<b>pH</b>	pH 5.5 ± 1.0
<b>Usage</b>	Daily usage, as second step when double-cleanse

## Product Description

Rice Facial Wash Cleanser gently cleanses your skin while hydrating and brightening your skin at the same time. The mild gel cleanser can be used on all skin types, even on sensitive skin without stripping the skin.

### *How to use*

Wet your face with lukewarm water before applying cleanser. Dispense a coin-size amount of cleanser onto clean hand and add water, rub the cleanser until foam appears, then gently massage on face. Rinse face off with lukewarm water and pat your face dry.

Use it alone in the morning or as the second step in your double-cleanse routine by pairing up with cleansing balm or cleansing oil to remove make-up.

## Key Ingredients

### ORYZA SATIVA (RICE) EXTRACT (74.96%)

A rich source of antioxidants including oryzanol, ferulic acid, and Vitamin E to nourish the skin and renew skin pigments.

### SKIN BENEFITS OF RICE WATER EXTRACT

Rice water can help to relief skin irritation caused by SLS. Also, rice water can boost skin collagen generation, thus help the skin remain soft and bouncy.

### Gel-type cleanser with slightly acidic pH of pH 5.5

The pH is similar to our skin natural pH (around 4.5 to 5.7). It helps to cleanse the skin effectively without affecting the original skin pH, thus will not cause any irritations even to sensitive skin. Gel-type texture is also an ideal cleanser type for deep cleansing. With the mild ingredients, it removes impurities and excess oil while maintaining the water and oil balanced within the skin.

## *Ingredients List:*

Oryza Sativa (Rice) Extract, Water, Coco-Betaine, Sodium Lauroyl Methyl Isethionate, 1,2-Hexanediol, Arginine, Sodium Chloride, Betaine, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Hydroxyacetophenone, Sodium Methyl Isethionate, Lauric Acid, Ethylhexylglycerin, Centella Asiatica Extract, Sodium Laurate, Allantoin, Pentylene Glycol, Pyrus Communis (Pear) Fruit Extract, Disodium EDTA, Decyl Glucoside, Polyglyceryl-10 Laurate, Rosa Damascena Flower Water, Prunus Persica (Peach) Fruit Extract, Hedera Helix (Ivy) Leaf/Stem Extract, Lactobacillus/Rice Ferment, Oryza Sativa (Rice) Bran Water, Pimpinella Anisum (Anise) Fruit Extract, Vanilla Planifolia Fruit Extract, Cucumis Melo (Melon) Seed Extract, Avena Sativa (Oat) Kernel Extract, Polyglyceryl-10 Stearate, Ceramide NP

# Skin Barrier Reishi Serum

(50 ml / 1.69 fl. oz.)

## Highlights

### Skin Types

Work best on dry skin and combination skin

### Skin Concern:

Aging, wrinkles, loss of elasticity, redness

### Texture

Watery, slightly viscous, quickly absorb

### Key Ingredients

Reishi Mushroom Extract, Chaga Mushroom Extract, Snow Mushroom Extract, Probiotics

## Product Description

Reishi Mushroom is known as the "Herb of Eternal Youth". Reishi Mushroom extract is an adaptogen, which serves as the skin natural protective shield. Lactobacillus Ferment can maintain a healthy skin barrier and maintain water-oil balance.

## How to use:

After using toner every morning and evening, pump 1-2 times to apply it over the face and pat gently until absorbed.

# Key Ingredients

## *Ganoderma Lucidum* (REISHI MUSHROOM) EXTRACT

Reishi mushroom is a rare and precious medicinal mushroom with a long history use for over 2000 years. The most well-known benefit is its anti-aging effect, and the ability to strengthen the natural skin barrier by providing immunity support.

## *Inonotus Obliquus* (CHAGA MUSHROOM) EXTRACT

Chaga mushroom grows under cold climates by enduring the harsh environment due to its adaptogen characteristics. It protects skin against wide range of temperatures, and it can reduce skin redness by strengthening capillaries. The mushroom is also filled with melanin which protect skin from UV exposure.

### OTHER SKIN BENEFITS?

Anti-inflammation, cell regeneration, detoxifying, brightening, anti-aging

### WHAT'S INSIDE?

Adatogen, beta-glucans, polysaccharides, peptidoglycans, amino acids, antioxidants.

## *Tremella Fuciformis* (SNOW MUSHROOM) EXTRACT

Snow mushroom can hold up to 500 times of its weight in water. It is a natural lightweight hydrator that deeply hydrates the skin thanks to the small particles which can penetrate into the skin easily.

## Fermented Ingredients and Probiotics

Probiotics are effective in creating a healthy balanced microbiome, which reduce the risk of undesired skin conditions such as acne breakouts. It also helps strengthening the skin barrier to increase the ability of skin to defend itself from environmental aggressors.

### OTHER SKIN BENEFITS?

Reduce signs of aging, reduce skin's sensitivity and irritations, hydrating, increase skin tone and elasticity

### WHAT'S IN THE PRODUCT?

Lactobacillus Ferment, Lactococcus Ferment Lysate, Saccharomyces Ferment, Streptococcus Thermophilus Ferment, Bacillus Ferment

## *Ingredients List:*

Ganoderma Lucidum (Mushroom) Extract, Butylene Glycol, Glycerin, Lactobacillus Ferment, Water, Niacinamide, Glycereth-26, 1,2-Hexanediol, Caprylyl glycol, Hydroxyacetophenone, Pentylene Glycol, Xanthan gum, Ethylhexylglycerin, Allantoin, Betaine, Dipotassium Glycyrrhizate, Inonotus Obliquus (Mushroom) Extract, Tremella Fuciformis (Mushroom) Extract, Camellia Sinensis Leaf Extract, Adenosine, Sodium Hyaluronate, Lactococcus Ferment Lysate, Saccharomyces Ferment, Streptococcus Thermophilus Ferment, Bacillus Ferment

# Skin Purifying Tea Tree Serum (50 ml / 1.69 fl. oz.)

## *Highlights*

**Skin Types :** All skin types

**Skin Concern :** Troubled-skin, acne, redness

**Texture :** Light watery texture, quickly absorbed

**Key Ingredients :** Melaleuca Alternifolia (Tea Tree) Extract, Centella Asiatica Extract, Houttuynia Cordata Extract, Camellia Sinensis Leaf Extract

## Key Ingredients

### *Melaleuca Alternifolia* (Tea Tree) Extract

Clears pores and tightens skin while controlling excess sebum. We extract the tea tree ingredients from tea tree water extract instead of tea tree oil to ensure it is also friendly to sensitive skin.

### *Centella Asiatica* (Cica) Extract

It soothes irritated skin and reduces skin redness.

### *Houttuynia Cordata* (Heartleaf) Extract

Well-known for anti-inflammatory and anti-bacterial properties, hydrates skin.

### *Camellia Sinensis* (Green Tea) Leaf Extract

Antioxidant to protect skin from UV-induced oxidative stress and protects against skin aging.

## Product Description

This serum contains 70.1% Melaleuca Alternifolia (Tea Tree) Extract, which calms sensitive skin and helps with trouble-care.

## How to use

After using toner every morning and evening, pump 1-2 times to apply it over the face and pat lightly. Work best when use with Skin Purifying Tea Tree Gel Cream.

## Ingredients List:

Melaleuca Alternifolia (Tea Tree) Extract, Butylene Glycol, Glycerin, Water, Glycereth-26, 1,2-Hexanediol, Centella Asiatica Extract, Caprylyl glycol, Hydroxyacetophenone, Pentylene Glycol, Xanthan gum, Ethylhexylglycerin, Allantoin, Betaine, Dipotassium Glycyrrhizate, Sodium Hyaluronate, Houttuynia Cordata Extract, Camellia Sinensis Leaf Extract, Madecassoside, Asiaticoside, Beta-Glucan, Asiatic Acid, Madecassic Acid

veggreen

# Skin Purifying Tea Tree Gel Cream (80 ml / 1.69 fl. oz.)

## Highlights

**Skin Types:** All skin types

**Skin Concern:** Troubled-skin, acne, redness

**Texture:** Translucent gel cream with a slightly cooling sensation

**Key Ingredients:** Melaleuca Alternifolia (Tea Tree) Extract, Centella Asiatica Extract, Houttuynia Cordata Extract, Camellia Sinensis Leaf Extract

**Tips:** Store in refrigerator before using for immediate cooling effect

## Product Description

This gel-type daily cream contains 78.4% tea tree extract. It calms sensitive skin and helps to lock moisture and nutrients under skin without feeling greasy.

## How to use

After using serum, apply a suitable amount of the gel-cream onto the face and gently massage it in a circular motion until completely absorbed. Work best when use with Skin Purifying Tea Tree Serum.

## *Ingredients List:*

Melaleuca Alternifolia (Tea Tree) Extract (78.4%), Glycerin, Butylene Glycol, 2,3-Butanediol, 1,2-Hexanediol, Centella Asiatica Extract, Water, Ammonium Acryloyldimethyltaurate/VP Copolymer, Squalane, Hydroxyacetophenone, Carbomer, Ethylhexylglycerin, Panthenol, Dipotassium Glycyrrhizate, Tromethamine, Inulin Lauryl Carbamate, Sodium Surfactin, Houttuynia Cordata Extract, Camellia Sinensis Leaf Extract, Beta Glucan, Madecassoside, Asiaticoside, Asiatic Acid, Madecassic Acid
