BLACK FOOD MASK

24g x 5ea
Whitening & Anti-wrinkle Double Functional Cosmetic

Excellent mask pack has been developed which has good absorption factor by fermenting five kinds of black foods (black sesame, black rice, black bean, coffee and raspberry) containing excellent antioxidative effects and as it is difunctional pack of whitening and anti-wrinkle, it will help to astringency, cleanness and moisture by preventing aging of roughened skin and absorbing essence without skin stimulation.

HOW TO USE

1. Removing moisture after washing the face and manage skin cleanly.
2. Open the pouch to put mask out and unfold and put it on your face from eye part evenly.
3. Remove the mask in 15 or 20 minutes.
4. It would be very effective, if you use it repeatedly three or four times a week.

RED FOOD MASK

24g x10ea
Whitening & Anti-wrinkle Double
Functional Cosmetic

Red Food Mask is a cosmetics to be absorbed without skin stimulation which is made of fermented extract of five red fruits like jujube, tomato, schizandra, grapefruit and pomegranate and cypress water instead of purified water as much as half which has anti-bacterial and deodorant effect. The more they use it, the more skin lightened up. All of the middle-aged, young woman and even man may use it as well and it is skin managing beauty product which may help anti-wrinkle and skin whitening.

HOW TO USE

1. Removing moisture after washing the face and manage skin cleanly.
2. Open the pouch to put mask out and unfold and put it on your face from eye part evenly.
3. Remove the mask in 15 or 20 minutes.
4. It would be very effective, if you use it repeatedly three or four times a week.

LUS Black food Hydrogel Eyepatch

Moisturizing eyes with Black Food Fermentation Extraction

The five black food extracts (black beans, black sesame, black rice, raspberry and coffee) are fermented, making fine wrinkles in the sides of the eye, and creating a powerful anti-oxidation and lifting effect.

Capacity: 90g (Eye Patch 60 Pieces)

LUS Black food Hydrogel Eyepatch

Bright under the eyes with pearl extract and gold extract

Pearl extract and gold extract are made up of essential amino acids and minerals that make the skin clean, bright, moisturized, clean, and improve dark circles.

Multi-purpose, resilient multi-patches with hydrogel type

It's a multi-care product that can be used anywhere in the face. Use conveniently anywhere near eyes, mouth, chin, forehead, neck.

Capacity: 90g (Eye Patch 60 Pieces)

LUS Goat Milk Hydrating Cream

The Goat Milk Hydrating Cream uses milk extract obtained from goats that are raised through grazing in green nature as its main compound. Its vitamins A and D, as well as selenium, protect skin, reinforce the absorption of effective compounds, and boost skin firmness. Furthermore, its vitamin E acts as an antioxidant and richly hydrates even rough skin, leaving it moisturized and refreshed. It is a product that fights skin aging by reinforcing the skin's immunity.

How to use

After washing your face, dispense an ample amount and apply onto face and neck evenly.

LUS Dermacal Recovery Cream

The LUS Dermacal recovery cream contains high-functional plant-calus stem cell culture extracts, which promote skin cell regeneration to the younger skin through various fine substances and pollution.

. Also With its excellent brightening function, Niacinamide and crease-enhancing function, Adenosine makes the skin brighter and more moisturizing and moisturizing.

How to use

Take the appropriate amount of skin care cream off your hands. Spread it evenly on your face. Tap it lightly to absorb it.

LUS hyaluronate premium serum

Whitening & anti-wrinkle

LUS hyaluronate premium serum

LUS hyaluronic acid serum is a highly concentrated, functional cosmetic product, containing some extracts which are good for anti-oxidant, anti-wrinkle, and skin caring, such as witch-hazel(*Hamamelis virginiana*), rose, *houltuynia cordata*, nasturtium, *polygonum multiflorum*, bamboo, nettle, *centella asiatica*, *passiflora caerulea*, and other ingredients like niacin amid, adenosine, so it turns your skin firm and hydrated.

1.2-Hexanediol, known for its highly stable and hydrating abilities, also consists of LUS hyaluronic acid serum which boosts its anti-aging, hydrating, and blood circulating effects and it works to the fullest in your skin. And it successfully helps your skin look younger and brighter.

LUS Hyaluronic Acid Serum (brightening & anti-wrinkle functional cosmetics) Hyaluronic Acid is a polysaccharide combined with Amino-acid and uronic-acid. It is used as one of the best ingredients for cosmetics in that it protects our body from penetrations of germs or any toxic materials, let alone absorbs water as much as 1000 times of its weight.
