

## Company Profile

Natural Cosmetics NOSCOS which makes pure cosmetics with natural materials

**"Skin becomes beautiful only when makes up cleanly."**

**"Cosmetics made with natural materials that make our skin healthy and beautiful!"**

- It is safe since vegetable oil has been used for the main materials being used for a natural cleanser and the oil's property and efficacy compatible with a purpose was respectively applied by products.
- It is a natural cleanser made with our utmost sincerity to help keep health of skin and scalp using natural medical plants, herbs, fruit etc. effective for a human body to match the product's efficacy.
- We made it a rule not to use chemical additives such as synthetic surfactant (plant-originated, vegetable, natural surfactant etc.), preservatives, silicon etc.
- Natural cosmetics minimized a skin stimulation element because preservatives controversial to harmfulness and chemical additives beyond necessity have not been used.
- NOSCOS products provide a customer only with a natural cleanser and natural cosmetic which give help to skin and scalp health and improve on trouble rather than simple use feel and feel after use.
