# Business Part

I Introduction to Barunwellbeing

## Vision

Barunwellbeing is a brand dedicated to consistently developing and delivering trustworthy inner-health products, built on premium-quality ingredients, evidence-based formulations, and a standardized quality management system.

### 1. Harmony of Health and Beauty

- We realize both health and beauty through premium ingredients and evidence-based design.

### 2. Enhancing Quality of Life

- We provide high-quality solutions that create tangible, positive changes in daily life.

### 3. Leading Global Wellness

- We aim to become a globally trusted brand in the field of wellbeing.

# Business Part

I Barunwellbeing Line Up

## Liposome Glassbead Glutathione

### 1. High-Purity Liposome Technology Applied

- Maximizes absorption in the body using 90% pure glutathione and liposome technology.

### 2. Maximizing Glutathione Utilization

- Optimized glutathione effectiveness with 6 vitamins (E, C, B<sub>1</sub>, B<sub>2</sub>, B<sub>3</sub>, B<sub>6</sub>) and 1 mineral (selenium).

### 3. Contains 3 Key Skin-Dermal Elements

- Formulated with hyaluronic acid, collagen, and elastin to enhance skin elasticity and hydration, allowing comprehensive inner beauty care with a single stick of Liposome Glassbead Glutathione

## Million Enzyme with Butyrate

### 1. Powerful Digestion Support with 1 Million Activity Units of Kamut Enzymes

- Supports digestive health with high-activity Kamut enzymes that aid digestion.

### 2. Synergistic Effect of Butyrate and Enzymes

- Improves gut environment and enhances immunity through the combination of butyrate and Kamut enzymes.

### 3. Contains Patented Gluten-Degrading Enzymes

- Includes patented gluten-degrading enzymes that reduce gluten content by up to 94%, minimizing the burden caused by gluten consumption.

# Business Part

I Barunwellbeing Line Up

## Uria Cranberry

### 1. Phytosome Technology

- The active components of cranberry are developed using Phytosome® technology, enhancing bioavailability and absorption in the body.

### 2. Cranberry x D-Mannose Dual Formula

- A synergistic blend of cranberry proanthocyanidins and D-mannose helps maintain urinary tract health and comfort.

### 3. Daily Urinary Care

- Designed to be taken with daily hydration, this formula supports ongoing comfort and balance in urinary wellness.

## Fior Inositol

### 1. 40:1 Golden Ratio Formula

- A scientifically optimized Myo-Inositol : D-Chiro-Inositol 40:1 ratio for maximum effectiveness.

### 2. Enhanced Absorption with $\alpha$ -Lactalbumin

- Formulated with  $\alpha$ -lactalbumin to improve the bioavailability of inositol.

### 3. Cycle & Condition Routine Care

- A daily routine-friendly blend that supports menstrual cycle rhythm and overall condition management.
