GGOM BELLE

DERMACOSMETIC BRAND

Effective Solution for Skin Problems

WWW.GGOMBELLE.COM

ABOUT GGOM BELLE

Beauty that fills up without any gaps

GGOM BELLE – Effective Solution for Skin Problems

GGOM BELLE is a brand inspired by the message, “Choose the GGOM BELLE and Improve yourself for good.” By managing the ingredients with good materials meticulously, we express a beauty with outstanding features as incomparable. It seems not to be nice on the surface, but reveals the beauty in the skin. GGOM BELLE makes you come true a genuine beauty.

It's not just about cosmetics.

It contains the direction of GGOM BELLE, which pursues a healthy lifestyle beyond cosmetics. Beauty is generally focused only on appearance, but the beauty offered by GGOM BELLE is the healthiest beauty that blooms within you.

01 / Lead a beauty life

Beauty is focused only on what is visible, but the beauty provided by GGOM BELLE is meant to become a daily routine in itself and lead to a healthy life.

02 / Lead a new skin

It is the beauty that blooms within you that becomes stronger as time goes by.
We pursue a healthy beauty life that goes beyond your skin and makes you shine all the time.

03 / Good ingredients

New skin filled with good ingredients means that you will be renewed by making you happy all the time.

GGOM BELLE

GGOM BELLE Intensive Whitening Complex Serum

Brightening Serum that wraps your skin with light

The light-packed serum gently covers the face and gives it a shiny and bright glow.

The brightness of faded skin is quickly recharged with a whitening complex serum the moment you apply it.

Intensive Whitening Complex Serum

Dermacosmetic Brand

Formulated with Ingredients for Pigmentation and Melasma Care

Skin Irritation Test Completed

Dual functionality certified for skin whitening and wrinkle improvement

- **Whitening & Radiance Care**
Intensive brightening radiance care that erases dullness and adds a transparent glow.
- **Wrinkle, Elasticity & Soothing Care**
Helps restore skin condition with deep moisturizing effects that recharge hydration with vitality.
- **Moisturizing & Hydration**
Forms a protective barrier on the skin to keep it healthy anytime, anywhere.

Volume : 30ml

How to Use : Apply an appropriate amount in the morning and evening after cleansing. Spread evenly over the face.

Key Ingredients

- Tranexamic Acid
- Niacinamide
- Jeju Camellia Flower Oil Extract

- Evening Primrose, Kudzu Root
- Centella Asiatica Extract
- Adenosine

Check Point

POINT 1 Long-lasting glow

Formulated with Ingredients for Pigmentation and Melasma Care **[Tranexamic Acid + Niacinamide]** Infused with light, the serum gently wraps around the face, delivering a luminous and radiant glow.

POINT 2 Maintains Skin Balance and Provides Intensive Conditioning Care

Deep moisturizing effects recharge the skin with hydration and vitality, helping restore overall skin condition.

POINT 3 Recommended for

- People concerned with increasing dark spots
- Uneven and dull skin tone
- Active blemishes or acne scars
- Those needing intensive brightening
- Anyone seeking radiant and moisturizing care

GGOM BELLE Derma Repair Cream

Low-irritation soothing cream for sensitive skin

It is a low-irritation cream that is comfortable even for sensitive skin, and features quick absorption and abundant moisturizing, and has the effect of soothing skin that has become weak from the outside and restoring skin condition.

Derma Repair Cream

Dermacosmetic Brand

- **Soothing care for sensitive skin**

A low-irritation care solution safe for sensitive skin.

- **Intense moisturization**

A cream that provides deep hydration and soothing care for healthy, comfortable skin.

- **Restores skin condition**

A cream that restores damaged skin and revitalizes its condition.

Volume : 50ml

How to Use : Apply an appropriate amount in the morning and evening. Spread gently over the face.

Key Ingredients

- Chamomile

- Panthenol

- Centella Asiatica Extract

- Portulaca Extract

- Palmitoyl Pentapeptide-4

- Butcher's Broom Root Extract

Check Point

POINT 1

Strengthens skin barrier with tightening care

Strengthens the skin's foundation with barrier-enhancing tightening care, promoting a healthy skin turnover.

POINT 2

Rising Moisture

Deep hydration infused with revitalizing moisture helps restore the skin's condition and energy.

POINT 3

Recommended for

- Easily irritated skin
- Post-treatment skin care
- Severely dry and cracked skin
- Those wanting a non-sticky cream
- People seeking gentle and moisturizing formulas

GGOM BELLE Daily Mild Sun Cream

Gentle physical sunscreen for daily protection

This moisturizing cream protects your skin from the intense UV rays that plague your skin by repelling a ray of sunlight all the time.

Daily Mild Sun Cream

Dermacosmetic Brand

EWG
Green rated

Skin Irritation
Test Completed

SPF50+
PA++++

- **Daily mild sun protection for all skin types**

A gentle, non-irritating mineral daily sunscreen that adheres smoothly and comfortably, even on sensitive skin.

- **Moisturizing & soothing texture**

A low-irritation sunscreen that applies smoothly and keeps the skin hydrated for lasting comfort.

- **Broad spectrum UVA/UVB protection**

A mineral sunscreen made with natural ingredients that effectively blocks UV rays without irritating the skin.

Volume : 50g

How to Use: Apply at the end of skincare routine.
Reapply every 2-3 hours if outdoors.

Key Ingredients

- Lavender

- Hyaluronic Acid

- Panthenol

- Centella Asiatica
Extract

- Zinc Oxide

- Titanium Dioxide

Check Point

POINT 1

A non-sticky, hydrating moisture base.

With a moisture-rich, mild texture, it leaves minimal white cast, zero greasiness, and no stickiness after use.

POINT 2

Complete UV protection.

With SPF50+ and PA++++, it provides perfect protection against both UVA and UVB rays.

POINT 3

Low-irritation mineral sunscreen.

A mineral sunscreen that has passed skin irritation tests, making it gentle enough for sensitive skin and suitable for children's skin as well.

POINT 4

Recommended for

- Looking for sting-free sunscreen
- Wanting a no white-cast mineral sunscreen
- Sensitive skin or children
- For those who have avoided sunscreen due to the greasiness.
- For those looking for a mineral sunscreen with a smooth, hydrating application.

POINT 5

To make sure you can use it without concerns

EWG Green rated

*Excluding UV-blocking ingredients

Use with confidence every day with a sun cream product based on reliable ingredients.

POINT 6

Blue Complex

Skin moisturizing and skin soothing composition patent

It is a complex extract containing 6 types of herbal ingredients and helps moisturize, improve soothing, and provide antioxidant effects to keep the skin hydrated.

■ Clary

Oil and water balance

■ Lavender

Skin vitality

■ Comflower

Improvement and protection of skin Symptoms

■ Chamomile

Converges pores

■ Borage

Moisturizing and soothing

■ Hyacinth

Skin purification and conditioning

GGOM BELLE Derma Lift Eye Cream

A total anti-aging cream that delivers
lifting care from eyes to entire face

A total face & anti-aging cream that delivers
the nutrition of eye cream from the eye area
to the entire face, taking care of invisible
wrinkles and elasticity.

NATURAL
HG

Skin Irritation
Test Completed

Dual-function
(wrinkle & brightening)

■ Eye lifting effect

An eye cream that effectively cares for under-eye wrinkles and provides a lifting effect.

■ Skin elasticity and anti-aging.

Powerful anti-aging care that improves skin elasticity and alleviates signs of aging.

■ Deep hydration & soothing

Moisturizing care that deeply hydrates and soothes the skin, maintaining a comfortable and healthy complexion.

Volume : 15ml

How to use : After a basic skin care, apply this one on the skin, where there are troubled spots

Key Ingredients

■ Dipotassium
Glycyrrhizate

■ Acetyl
Hexapeptide-8

■ Ceramide

■ Panthenol

■ Adenosine

■ Hyaluronic Acid

Check Point

POINT 1

Gentle eye cream that is comfortable for even sensitive skin

A product that has completed skin irritation tests, soothing delicate skin weakened by external factors.

POINT 2

Targeted wrinkle care and conditioning care

A product with approved wrinkle improvement functionality by the Ministry of Food and Drug Safety, providing intensive wrinkle care.

POINT 3

Airless applicator for hygienic use

The airless-type applicator allows you to use the product completely without waste. Simply roll it over the eye area, nasolabial folds, and other concern areas, ensuring quick absorption without the need for your hands.

POINT 4

Recommended for

- Eye wrinkles and fine lines
- Delicate and sensitive areas
- Full-face anti-aging cream seekers
- For those who notice their under-eye wrinkles becoming more prominent after applying makeup
- For those who find traditional eye creams that sit on the skin too heavy or uncomfortable

POINT 5

Enhanced with
a fermentation process

NATURAL HG

Patent certificate that adds the
fermentation process

Double fermentation for richer
hydration energy

Soybeans, mistletoe, and hair roots,
traditionally used as medicinal herbs,
are **double-fermented** to create finely
broken particles that deliver deeper and
more intense hydration energy to the skin.

Application number : 10-2011-0073042

Natural / Patent Ingredients

■ Purslane
Skin protection

■ Mistletoe
Strengthening
elasticity

■ Bean
Moisturizing

■ Cordyceps militaris
Soothing, glow

■ Perotis indica
Improving skin
immunity

GGOM BELLE Gentle Whip Foam Cleanser

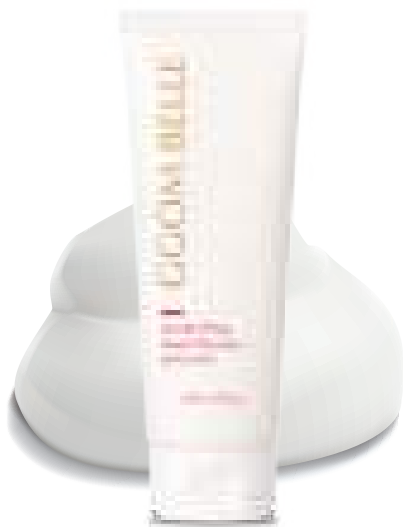

A cleanser with soft, dense foam that
removes makeup and impurities gently

GGOM BELLE cleanser gently removes
makeup residue and impurities with a
rich and dense foam, leaving skin clean
and moisturized without any tightness
after cleansing.

Gentle Whip Foam Cleanser

Dermacosmetic Brand

Check Point

POINT 1

Low-irritation cleanser that is comfortable for even sensitive skin

With gentle ingredients that have passed irritation tests, the soft and dense foam helps nurture your skin, leaving it moisturized and clean.

POINT 2

Mildly alkaline cleanser (pH range: 9-11)

Acidic Mildly acidic Mildly alkaline Alkaline

A mildly alkaline foam cleanser that reduces skin irritation while enhancing cleansing power, leaving your skin clean and refreshed.

POINT 3

A foam cleanser designed with convenience and safety in mind

A formula with dense, tight bubbles that provides softness and comfort during cleansing, making it the most comfortable for use on the face. The product contains no additives like colorants or scrub particles, even in small amounts, in line with its concept.

POINT 4

Recommended for

- Oily and Combination skin
- Acne-prone or rough skin
- Post-wash dryness or tightness
- For those who want smooth skin texture by exfoliating and refining rough skin
- For those who are concerned about acne-prone skin

▪ Rich Foam

A refreshing and squeaky-clean cleansing foam with rich and soft bubbles that cleanse without any tightness.

▪ Magic Cleanser

Apply the magic cleanser to your face, and as it meets water, it transforms into a dense foam that thoroughly cleanses makeup, dust, and other impurities.

▪ Thorough Cleansing

The gentle and soft foam reduces skin friction, helping to achieve a thorough and clean cleansing.

Volume : 120ml

How to use : Take an appropriate amount on a wet palm, add a small amount of water to create foam, then gently massage the foam into the face, ensuring all areas are cleansed.

Key Ingredients

▪ 17 Amino Acid Complex

▪ Triple-Molecular Hyaluronic Acid

▪ Vitamin Complex

▪ Eucalyptus Leaf Oil

▪ Centella Asiatica Extract

▪ Glycerin

GGOM BELLE Protein Silk Ampoule

A high-performance ampoule focusing on inner skin elasticity and deep hydration

A protein silk ampoule that focuses on inner elasticity, delivering deeply hydrating moisture from within, strengthening the skin barrier, and enhancing firm, resilient elasticity.

Moisturizing and Skin Elasticity

Powerful moisturizing ingredients that deeply hydrate the skin, keeping it moisturized and supple.

Skin Improvement and Soothing

Helps soothe and moisturize the skin, making it suitable for sensitive skin. It strengthens the skin barrier and is effective in improving wrinkles.

Nutrition Supply

Helps maintain skin balance, soothing the skin while effectively providing vitality and improving skin tone.

Volume : 30ml

How to use : after cleansing, take an appropriate amount, apply it evenly over the entire face, gently massage and pat for absorption

Key Ingredients

17 Amino Acid Complex

5 Core Proteins

Hydrolyzed Collagen

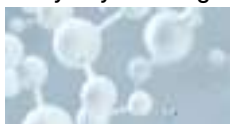

5 Peptides Hydrolyzed Collagen

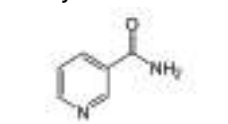

8-Layer Hyaluronic Acid

Panthenol

Allantoin

Adenosine, Niacinamide

Sodium DNA (Salmon Extract)

Check Point

POINT 1

Wrinkle improvement + Whitening dual-functional ampoule

Niacinamide + Adenosine Approved by the Ministry of Food and Drug Safety for wrinkle improvement and whitening functional ingredients. Niacinamide provides whitening effects, while Adenosine enhances wrinkle improvement and skin elasticity.

POINT 2

An ampoule filled with five carefully selected key ingredients

5-Component Peptide Complex for Strengthening Skin Elasticity

Contains 5 component protein complex that deeply enhances inner skin elasticity

Allantoin focused on protecting tired skin and further enhancing inner elasticity

Amino Care 17-Component Amino Acid Complex

Essential Hydration You Can't Miss 8-Complex Hyaluronic Acid

POINT 3

Completed skin irritation test

Low-irritation skincare with an irritation index of 0.00, safe to use with peace of mind.

POINT 4

Recommended for

- Wrinkle concerns and sagging skin
- Dry and dull complexion
- Enlarged pores
- For those concerned about sagging and loss of facial contours due to decreased skin elasticity
- For those struggling with rough and dull skin texture

Here's how to use it:

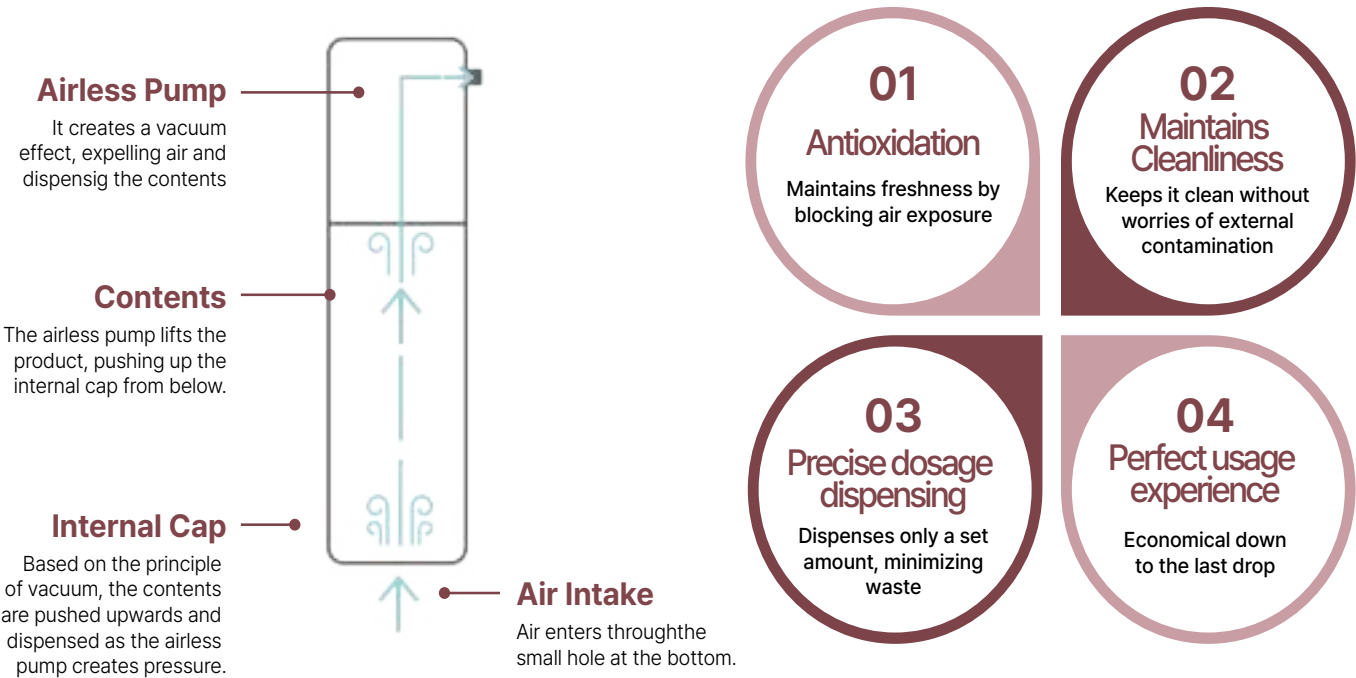

Consistent daily care is the secret to beauty—perfect skin isn’t achieved overnight. With a structured 3-step routine, restore your skin’s balance and experience healthier, firmer skin over time.

What is an airless container?

The container is designed to prevent any contact between the external air and the container, keeping the cosmetic product fresh.

Convenient and economical packaging—designed to dispense every last drop, more efficiently than standard pump systems.

GGOM BELLE Galactomyces Brightening Cream

A fermented cream balancing oil-moisture levels and improving dull skin tone

Clear skin tone + Smooth texture + Pore care
Customized skin condition + Tailored texture care
+ Healthy fermentation energy The one choice to
nurture clear and translucent skin

Brightening & skin texture improvement

Galactomyces Brightening Cream that cares for the skin's oil and moisture balance.

A brightening solution for a clear and radiant complexion

A highly moisturizing cream that provides instant hydration the moment you apply it. With its quick absorption, it can be used daily without any burden.

Airless pump design

Since it doesn't come into contact with outside air, the contents remain unspoiled and can be used fully without waste.

Volume : 50ml

How to use : After cleansing in the morning and evening, refine your skin texture. Dispense an appropriate amount, apply evenly, and allow it to absorb.

Key Ingredients

- Galactomyces Ferment Filtrate (78.07%)
- Portulaca Extract
- Panthenol

- Centella Asiatica
- Ceramide
- Tocopherol

Check Point

POINT 1

Galactomyces Ferment Filtrate

The research began after discovering that the hands of the older brewers at the brewery were particularly clear and firm. The product contains various active ingredients, such as vitamins, minerals, amino acids, and enzymes, which help brighten dull skin, strengthen the skin barrier, and promote healthy skin.

POINT 2

A fermentation cream that strengthens the skin's foundation, helping to nurture clear and transparent skin.

Filled with active ingredients as an alternative to purified water. **Contains 78.07%** Galactomyces Fermented Filtrate, which cares for the skin's natural radiance and texture, leaving the skin clear, translucent, and healthy.

POINT 3

Recommended for

- Dull and uneven skin tone
- Rough or tired skin
- Needing glow and clarity
- For those who need a consistent product for vibrant and radiant skin
- For those with dry, rough skin that lacks radiance and continues to feel dull

GGOM BELLE Daily Aqua Sun Serum

A lightweight triple-function sunscreen
with serum-like texture

Gently on the skin, strong against sunlight!
A hydrating daily sun serum with a
lightweight feel, transparent and subtle
glow, while offering skin protection,
brightening, and wrinkle care all in one.

Hydrating & Soothing

A mild texture with a hydrating water base that applies smoothly without irritation, naturally adhering to the skin without leaving a white cast—an organic sunscreen.

Sun Protection + Whitening + Anti-Wrinkle

A multi-solution with triple functionality (UV protection + whitening + wrinkle improvement) that protects the skin.

No White cast and easy absorption

An organic sunscreen that naturally adheres to the skin without leaving a white cast. Its lightweight and smooth application effectively blocks UV rays.

Volume : 50ml

How to use : In the final step of your skincare routine, evenly apply it to areas that are easily exposed to sunlight. For outdoor activities or when sweating heavily, reapply every 2-3 hours.

Key Ingredients

Sodium DNA Portulaca Extract Adenosine

Centella Asiatica Ceramide NP Niacinamide

Check Point

POINT 1

A skin care and protection system that shields the skin from external environmental stimuli

Protects your precious skin from external environmental irritants when going outside, allowing you to use it with peace of mind.

POINT 2

Skin moisture retention & Soothing hydration care

A lotion-type cream formula that feels lightweight and refreshing, adhering seamlessly to the skin. Enriched with centella asiatica extract, purslane extract, panthenol, tocopherol, and ceramide NP, it **helps soothe and moisturize the skin.**

POINT 3

Recommended for

- Lightweight non-sticky sunblock seekers
- For sensitive skin
- Looking for a sunblock that's easy to wash off
- For those who need a sunscreen that is gentle on the skin
- For those looking for a sunscreen without stickiness or greasiness

GGOM BELLE PHILOSOPHY

WE REFLECT

I want to deliver even better cosmetics
our customers even if it is an opinion
and I listen carefully,
ponder and study all the time.

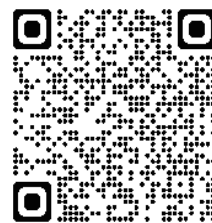

WE TAKE OUR TIME

Rather than pursuing a fast or shortcut,
I try to pursue the right direction, even
if it is slow. I am confident that this is
ultimately the path for our customers.

WE BELIEVE

We believe that the time and effort put
into launching a product ultimately will
move the hearts of customers.

THANK YOU.

CNK COMPANY will continue to create better value together with our customers.
