W.DressRoom Courtney Fabric Lecher

#Scent for 24 hours #99% Deodorizing Effect #Slightly Acid Fiber Protection Deodorant
#fine mist spray

155ML

- **A warm, cozy scent that lasts 24 hours**

Completed 24-hour fragrance test. Reproduced and expressed the soft coziness of the doll I hugged as a child with a cotton scent.

- **99% deodorizing effect that leaves only a subtle scent after removing the odor**

It contains cyclodextrin, which quickly removes odors, quickly discharges odors in the fiber into the air, and only a subtle scent remains.

- **A weakly acidic deodorant that protects fibers**

The weakly acidic formula helps deodorize the fibers and neutralizes the alkaline component, the source of odor, to fundamentally remove odor.

- **Skin irritation test completed**

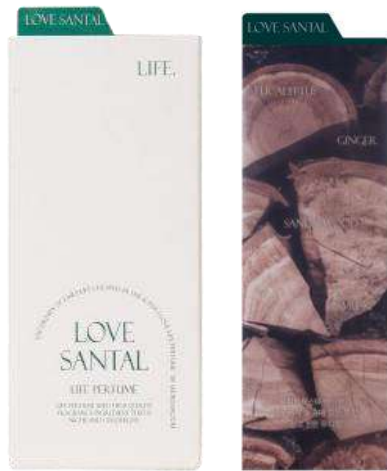

Cottony fiber perfume has been tested for skin irritation, so you can use it with confidence.

- **Fine mist spray head**

When spraying, the scent is spread in the form of a uniform mist without any water stains or marks, so it permeates every corner of the fiber smoothly and maintains a subtle scent for a long time.

W.DressRoom Life Perfume

#Long-lasting #PremiumScent #Deodorization + Direction

- **High-quality ingredients carefully selected by the chief perfumer**

Through numerous tests and sophisticated blending, W.DRESSROOM's rich and delicate scent that captures its own emotional style illuminates the daily space.

- **Use ethanol base extracted from grain fermentation**

Ethanol obtained from grain fermentation rather than cheap industrial alcohol is used to reduce the irritating alcohol odor and leave only a comfortable, natural scent.

- **A scent that fills the entire space**

A fresh but not excessive scent spreads subtly into the air, wrapping the large space with a soft reverberation.

- **A long-lasting scent**

No matter where you put it, the pure scent that seems to have first blossomed continues to the end, and it is a large-capacity design that stays together for a long time in everyday life.
