Product Specifications

Height	Length	Width	Gross weight	Water tank capacity
2,770m	5,500m	1,775m	2,905kg	550L

MAIN PRODUCTS

CHPY 550A

Camping-car door
insect screen included)

Folding / 2-step stairs

Custom-built bathtub

Spacious interior

Additional lower-storage
compartments

Double-glazed windows
(insect screen included)

User-friendly control panel

Characteristic

Idle-free power system

GSP Lithium Iron Phosphate (LiFePO4) Battery: 192A
Provides up to 11 hours of usage without idling
Saves approximately 2.4 million KRW in fuel annually
(10,000 KRW/day * 20 days/month * 12 months)

Electronic Battery Meter

Displays the battery charge level,
remaining capacity,
and available usage time

AC/DC Pumps Installed

Users can choose their preferred pump
Can be replaced if necessary

Freshwater Gauge

Two types of gauges: hose gauge and freshwater gauge
Monitors freshwater levels both indoors and outdoors
