

Balanced care for improved skin elasticity and condition

**Inner glow effect**  
Revitalizes dull skin tones for a clearer, more radiant complexion.

**Soothing Care**  
Calms sensitive skin while supporting and strengthening the skin barrier.

**Elasticity Improvement**  
Smooths and refines skin texture for a firmer, more resilient appearance.

**Hydration Boost**  
Delivers deep, long-lasting moisture to dry skin for a comfortably hydrated feel.

# Rejuchiol

A highly biocompatible substance  
99% high-purity \*PDRN

\*Polydeoxyribonucleotide

PDRN,  
a DNA-derived ingredient extracted from salmon

PDRN, a DNA-derived ingredient obtained from salmon germ cells, is a key ingredient that helps support the skin's natural vitality. Gently works even on sensitized skin, helping to maintain a healthy and balanced skin condition

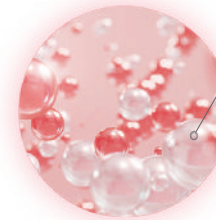

Rejuchiol PDRN Perfect Cream  
with 99% Salmon-Derived Ingredients

Recommended for those who

- ✓ For those with extremely dry skin in need of intensive hydration
- ✓ For those prone to frequent skin issues due to imbalanced oil and moisture
- ✓ For those seeking makeup-friendly skincare
- ✓ For those sensitive to retinol and seeking a gentler alternative
- ✓ For those wanting a healthy glow for dull skin

A synergistic care that deeply hydrates and soothes for lasting comfort without tightness.

Skin condition care

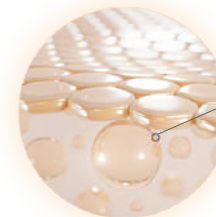

**PDRN1500ppm**

A salmon-derived ingredient used to help provide comfortable care for environmentally sensitized skin.

Age-Defense  
& Wrinkle Improvement

**Bakuchiol**

A naturally derived ingredient that offers retinol-like benefits with a gentle, low-irritation profile.

Brightening Care  
& Spot-Refining

**Glutathione**

An age-care ingredient that helps regulate melanin-related processes for a clearer, more even-looking skin tone.

Triple-Layer Hydration  
& Enhanced Elasticity

**Hyaluronic Acid**

A hydrating care ingredient that locks in moisture from within the skin and helps maintain lasting hydration throughout.

Gentle on skin morning and night  
**Rejuchiol Daily Routine**

# Radiance

## Vitamin Tree Fruit LTVE™

- Sea buckthorn is known as a plant that has grown on Earth since ancient times and has long been valued in countries such as China, Russia, and North America.
- In China, it has been referred to as a "national treasure," and in Russia, as a "gift from God." In the United States and Canada, it has been introduced as a nutrient-rich superfood.
- As a nutrient-dense natural ingredient, it contains vitamins A, C, and E, along with a variety of other vitamins and minerals. It is known to contain over 200 different beneficial nutrients.
- Sea buckthorn contains plant-based omega 3, 5, 7, and 9. These naturally derived fatty acids have steadily gained attention.
- Its leaves and berries are rich in various antioxidant compounds. These naturally occurring components have been utilized for centuries.

## REJUCHIOL PDRN 5000ppm MELA VITA CREAM

Recommended for those who

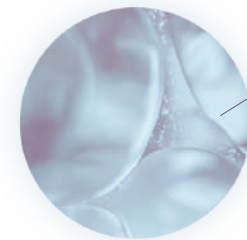

- ✓ For those concerned about dull-looking skin
- ✓ For those worried about uneven skin tone
- ✓ For those who want to restore radiance to dry, lackluster skin
- ✓ For those who desire a clearer, more refined complexion
- ✓ For those in need of daily skin condition care

From soothing care to refined skin texture, a radiance treatment that leaves your skin deeply hydrated and glow without tightness.

### Glow Care & Hydration

## Hippophae Rhamnoides Fruit Water

Vitamin-rich ingredient, used for glow and hydration care.

### Brightening Care

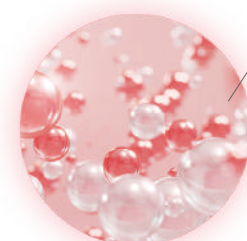

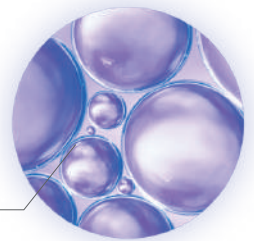

## Niacinamide

Brightening functional ingredient, used for a clean and clear skin appearance.

### Skin Texture Refinement & Appearance Care

## Tranexamic Acid

Used in daily care routines for skin that may appear dull, focused on an even and well-refined skin appearance.

### Skin Condition Care

## PDRN 5000ppm

used to care for skin that may become sensitive due to external environmental factors, focused on skin comfort care.
